View a more complete list of multifaith observances at go.umd.edu/multifaith2223

Please note also the weekly Jewish Shabbat restrictions and when those restrictions fall during final exams.
For observant members of the Jewish community, no work or travel should take place from Friday at sundown through Saturday at sundown. During the fall 2022 semester, these dates are affected: Fri., Dec. 16 and Sat., Dec. 17.

* These holy days begin and end at sundown on the first and last days listed.

** These holidays are calculated on a lunar calendar and are approximate. Muslim holidays begin and end at sundown on the first and last days listed.

*** The Bahá’í day ends and a new one begins at sunset; consequently, the day on which a Holy Day is observed begins at sunset of the day before the Gregorian calendar dates given above.
